## SEND FOOD TO-GO IN STYLE WITH PLASTIC HINGED CONTAINERS!

Karat® PET and PP hinged containers are stackable and convenient for food transportation. PET containers are made of crystal-clear plastic that allows for easy visibility. They are also crack resistant with a typical temperature range of -10 °F~120 °F (-23 °C~49 °C). The PP hinged containers are sturdy and feature pull lock tabs that allow you to securely transport food.
