Wrapped Paper

Our eco-friendly PLA clear straws are individually wrapped and they are ideal for cold beverages (temp. below 140° F - 158° F). In addition to our PLA straws, our eco-friendly paper straws are made with BPA-free sturdy paper and are also individually wrapped. Both products are made with renewable resources that can be composted back into the earth as opposed to standard plastics derived from fossil fuels. Whether you choose PLA or paper, these eco-friendly straws will surely make an impact on our environment!
